To Whom It May Concern:

It is with great pleasure that I write this letter of recommendation for Mr. **SAN VERT** in support of his application to volunteer in the field of Web Development at your esteemed university. As Head of the Department of Computer Science at **Samdech Preah Mahasangharajah Bour Kry University**, I have had the distinct pleasure of working closely with Mr. Vert throughout his academic journey.

Mr. SAN VERT has consistently demonstrated a strong commitment to academic excellence and a genuine passion for computer science. His ability to transform theoretical knowledge into practical solutions is commendable. Notably, he volunteered to develop and maintain the official website of our university (<https://sbku.edu.kh>), which has significantly enhanced our institution's online presence. His proficiency in software development, website design, and content management systems has proven to be a valuable asset.

In addition to his technical strengths, Mr. Vert is a team player with outstanding interpersonal and communication skills. He collaborates effectively with peers and faculty, always showing respect, enthusiasm, and a proactive attitude. His professionalism, dedication, and problem-solving mindset make him stand out among his peers.
